COLLABORATIVE ACTION GRANTS	June 9 (Round 2)	Enterprise's Collaborative Action Grants provide organizations with \$5,000 to build community agency, engage local voices, and connect to long-term community goals. We are offering two rounds of grants in 2017. Applicants should be prepared to complete the Collaborative Action within 6 months of grant notification. More info: Application

Agency/Source	Submission Deadline	Additional Information
Community Assistance in Conservation and Outdoor Recreation, National Park Service	June 30	Funding amount: The National Park Service Rivers, Trails, and Conservation Assistance program supports community-led natural resource conservation and outdoor recreation projects across the nation. Our national network of conservation and recreation planning professionals partners with community groups, nonprofits, tribes, and state and local governments to design trails and parks, conserve and improve access to rivers, protect special places, and create recreation opportunities. Project applicants may be state and local agencies, tribes, nonprofit organizations, or citizen groups. National Parks and other Federal agencies may apply in partnership with other local organizations. Full details here .
Regional Conservation Partnership Program (USDA)	Invited Proposal: August 31, 2017	Maximum of \$10MM available for 170 awards - - This U.S. Dept. of Ag. program seeks to co-invest with partners in innovative, workable & cost-effective approaches to benefit farming, ranching, & forest operations, local economies, and the communities and resources in a watershed or other geographic area. Partnering organizations design, promote, implement, and evaluate the project outcomes. GENERAL ELIGIBILITY REQUIREMENTS: Agricultural or silvicultural producer associations or other groups of producers; States or units of local government; Indian Tribes; farmer cooperatives; water districts, irrigation districts, rural water districts or associations, or other organizations with specific water delivery authorities to agricultural producers; municipal water or wastewater treatment entities; institutions of higher education; & organizations or entities with an established history of working cooperatively with producers on agricultural land. RFP LINK: https://www.nrcs.usda.gov/wps/portal/nrcs/detail/national/programs/farmbill/rcpp/?cid=nrcseprd1309629
FWS Coastal Program	Sept. 30	The Fish & Wildlife Service (FWS) funding provides direct technical assistance and financial assistance to coastal communities and landowners to restore and protect fish and wildlife habitat on public and private lands. Projects should specify benefits for species and habitats considering the expected effects of climate change. FWS will favor conservation activities & projects that incorporate ecosystem adaptation and help coastal ecosystems & communities adapt to the effects of sea level rise & greenhouse gases. More info. here .
USDA Broadband Loans and Loan Guarantees	Sept. 30	USDA Rural Development's Rural Utility Service FY2017 Rural Broadband Access Loan and Loan Guarantee program. The NOSA can be accessed at https://www.gpo.gov/fdsys/pkg/FR-2017-01-09/pdf/2017-00137.pdf . Additional information is available at https://www.rd.usda.gov/programs-services/telecommunications-infrastructure-loans-loan-guarantees (see page 4 for Community Connect Grants)
Broadband Loans & Loan Guarantees (USDA)	Open	The Rural Broadband Access Loan & Loan Guarantee Program (Broadband Program) furnishes loans and loan guarantees to provide funds for the costs of construction, improvement, or acquisition of facilities and equipment needed to provide service at the broadband lending speed in eligible rural areas. For more info. on other programs administered by Rural Utility Service (RUS) Telecommunications visit: http://www.rd.usda.gov/programs-services/all-programs/telecom-programs
Emergency Community Water Assistance Grants (USDA-RD)	Open	Program helps eligible rural communities recover from or prepare for emergencies that result in a decline in capacity to provide safe, reliable drinking water for households & businesses. Federally recognized Tribal lands and Colonias are eligible; Privately owned wells are not eligible. • Up to \$150K for repairs to breaks/leaks in existing water distribution lines, & related maintenance. • Up to \$500K for construction of a new water source, intake &/or treatment facility or waterline extensions. http://www.rurdev.usda.gov/UWP-ecwag.htm
Environmental Infrastructure Loan Program (RCAC)	Open	Rural Community Assistance Corporation's (RCAC) Environmental Infrastructure Loan Program helps create, improve or expand the supply of safe drinking water, waste disposal systems and other facilities that serve rural communities. RCAC's loan programs provide the early funds small rural communities need to determine feasibility and pay pre-development costs prior to receiving state &/or federal program funding. May also provide interim construction financing, and intermediate & long-term loans for system improvements. ELIGIBLE APPLICANT: Nonprofit organizations, public agencies and tribal governments. ELIGIBLE AREA: Projects must be located in rural areas with populations of 50,000 or less in Alaska, Arizona, California, Colorado, Hawaii and other pacific islands, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming. Community size is limited to 10,000 for long-term USDA guaranteed loans and short-term loans for which USDA is the long-term lender. Eligible projects include water, wastewater, solid waste & storm water facilities. Contact Mike Carroll at mcarroll@rcac.org or visit www.rcac.org
Indian Land Tenure Foundation - Land Recovery Efforts	Open	The Foundation provides funding to Indian nations to support various aspects of land recovery with a focus on reacquiring alienated federal lands. Returning lands to Indian ownership and control is important to ensure that Indian people have access to the financial and natural resources within their own reservations. The Foundation supports a variety of initiatives to assist tribes in the development of plans to reacquire reservation lands. More info. at: https://www.iltf.org/grants/special-initiatives/land-recovery-efforts
USDA WATER & WASTE DISPOSAL LOANS & GRANTS	Open	USDA's Water and Waste Disposal Loan and Grant Program provides loans and grants for clean and reliable drinking water systems, sanitary sewage disposal, sanitary solid waste disposal, and storm water drainage to households and businesses in rural areas with a population of 10,000 or less. In some cases, funding may also be available for related activities such as legal and engineering fees, land acquisition, water and land rights, permits and equipment and other activities necessary to complete a project. <u>Eligible Applicants:</u> state and local governmental entities, private non-profits, and federally-recognized tribes who are unable to obtain commercial credit. <u>How to Apply:</u> apply now by using the online application tool RDApply .

Agency/Source	Submission Deadline	Additional Information
